PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION: Causes slight eye irritation. Avoid contact with eyes or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. Prolonged or frequently repeated skin contact may cause allergic reactions in some individuals.

EPA Reg. No. – 67702-26-87865

EPA Establishment No. – 58996-MO-1

Manufactured For:
Engage Agro USA, LLC
118 E. Carleton Street, Suite A
Prescott, AZ 86303
Phone: 928-445-7990

Net Contents: 1 gallon, 2.5 gallons, 30 gallons, 200 gallons

ENVIRONMENTAL HAZARDS

For terrestrial uses: Do not apply directly to water, or to areas where surface water is present or to intertidal areas below the mean high water mark. Do not contaminate water when disposing of equipment washwater or rinsate.

Effluent Discharge (for containers over 5 gallons)

Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance contact your State Water Board or Regional Office of the EPA.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

Read and follow all applicable directions and precautions on this label before using.

SITES: Lawns, turf (use on rights of way or non-crop areas), golf courses, parks, playgrounds, cemeteries, athletic fields.

PESTS:

Controls weeds:

- Bull thistle (*Cirsium vulgare*)
- Creeping buttercup (*Ranunculus repens*)
- Dandelion (*Taraxicum officinale*)
- Moss
- Speedwell spp.
- Persian speedwell (*Veronica persica*)
- White clover (*Trifolium repens*)

Suppresses weeds:

- Black medic (*Medicago lupulina*)
- English daisy (*Bellis perennis*)
- Common chickweed* (*Stellaria media*).

*At high rate only

Application Directions:

Shake well before using. Mix one part FIESTA TURF WEED KILLER with 24 parts water (5 oz. in 1 gallon of water). Apply the mixed solution at a rate of 5-10 gallons/1000 ft² (5.6 -11.5 fluid oz./yard²). Any standard hand-held or backpack sprayer can be used. Thoroughly spray weeds. Use a coarse nozzle setting to reduce drift. Uniform coverage is important.

Repeat treatment in 3 to 4 weeks for best results.

What will I see?

Works quickly; dying weeds will be seen within hours of application. Treated weeds or moss will turn brown or black. Occasionally a darkening of the grass leaf blades can occur after treatment; however the grass will recover within a few days to weeks. May stain thatch (dead grass under lawn); this does not affect the health of the grass.

Use Precautions:

Do not apply to drought stressed grass; ensure lawn is well watered prior to application. Do not apply when the daytime temperature will exceed 85°F. Do not apply to bentgrass. If unsure of grass sensitivity, test spray a small area of the turf. Do not apply to newly seeded areas prior to grass seed germination. Avoid spraying desirable plants. Any desirable plants or structures accidentally contacted should be rinsed with water. To avoid staining, wait until treated area dries before re-entry. Do not apply if rainfall is expected within 3 hours of application. Do not irrigate within 3 hours of application. Do not apply to the same area more than 4 times a year.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

PESTICIDE STORAGE: Store in a secure place, away from open fire or flame. Keep container closed and reseal after use. If spilled, use absorbent materials and dispose of in an approved manner.

PESTICIDE DISPOSAL: Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

CONTAINER HANDLING: Nonrefillable container. Do not reuse or refill this container. Triple rinse container (or equivalent) promptly after emptying. Triple rinse as follows:

(For containers less than five gallons):

Empty the remaining contents into application equipment or a mix tank, and drain for 10 seconds after the flow begins to drip. Fill the container 1/4 full with water and recap. Shake for 10 seconds. Pour rinsate into application equipment or a mix tank or store rinsate for later use or disposal. Drain for 10 seconds after the flow begins to drip. Repeat this procedure two more times. Offer for recycling, if available.

(For containers greater than five gallons): Empty the remaining contents into application equipment or a mix tank. Fill the container 1/4 full with water. Replace and tighten closures. Tip container on its side and roll it back and forth, ensuring at least one complete revolution, for 30 seconds. Stand the container on its end and tip it back and forth several times. Turn the container over onto its other end and tip it back and forth several times. Empty the rinsate into application equipment or a mix tank or store rinsate for later use or disposal. Repeat this procedure two more times. Offer for recycling, if available

BATCH CODE:

FIESTA TURF WEED KILLER:

- Tough on weeds and disease, easy on turf
- Works in cool weather down to 50°F
- Rainfast in 3 hours
- Works fast
- See results the same day
- No unpleasant odor
- Eliminates unwanted moss, algae and lichens quickly
- Turf areas can be re-sown within one day of treatment with FIESTA TURF WEED KILLER
- Even works in cool weather
- Kills weeds, down to the root
- Best results are obtained when applied in the Spring or Fall when environmental conditions are cool and there is ample moisture
